

HKC

Sixth Graduate Conference 2020

April 5-7, 2020

Conference Theme: Sustainability through Knowledge and Innovation

Call for papers/posters/participation

The Tribhuvan University- Institute of Science and Technology – Central Department of Environmental Science (TU-CDES), Institute for Social and Environmental Transition-Nepal (ISET-Nepal) and Resources Himalaya Foundation (RHF), and Agriculture and Forestry University (AFU) have come together to organize the Sixth Graduate Conference known as Himalayan Knowledge Conclave (HKC). The Government of Nepal- Ministry of Education, Science and Technology (GoN-MoEST) has generously patronized and supported the initiatives.

The conference brings together graduates to present their research and review each other's work. The conference aspires to develop leadership and public speaking skills of participating graduates by involving them in conference processes. The conference also provides an opportunity for networking among peers and experts. The conference will be held on the April 5-7, 2020 in Rampur, Chitwan.

Thematic Areas

- Pollution and control measures
- Climate change and disasters
- Ecosystem, biodiversity and livelihood
